HISTORY AND SIGNIFICANCE:

Sri Ramakrishna (1836-1886), the prophet of harmony of religions, was born in Kamarpukur village. "Renunciation and love for God", "Service, seeing God in all"—these were some of his other important teachings. His illustrious disciple Swami Vivekananda founded Ramakrishna Math and Ramakrishna Mission with its Headquarters at Belur Math, Howrah, West Bengal. These two organizations lead by the monastic Order started by Sri Ramakrishna himself, had the twin ideal, "Self-realization and service to the world". The Kamarpukur centre, a branch of Ramakrishna Math and Ramakrishna Mission, Belur Math, was started in 1947. This centre is mainly associated with the hallowed memories of Sri Ramakrishna's birthplace and his ancestral home. Some of the holy spots are:

- Sri Ramakrishna's Temple built on the spot where he was born
- A mud house with thatched roof where Sri
 Ramakrishna and Holy Mother Sarada Devi lived
- v Parlour and Mango Tree planted by Sri Ramakrishna
- Sri Raghuvir Temple with the family deities of Sri Ramakrishna
- Sri Jugis Shiva Temple
- v Haldhar-Pukur

SRI RAGHUVIR AND SHEETALA MAA-FAMILY DEITIES OF SRI RAMAKRISHNA

- Laha's Pathashala
- Temple of Sri Gopeshwar Shiva
- Sitanath Pyne's House
- Dhani Kamarini's Birth Place
- Chinu Shankhari's Birth Place
- **Budhui Marol Cremation Ground**
- Mukundapur Shiva Temple
- v Cremation Ground and Banyan Tree at Bhutir Khal
- v Palace and Mango Grove of Manik Raja
- v Anur Vishalakshi Temple
- v Jayrambati, Koalpara, Shihore and other places associated with the life of Sri Sarada Devi

Holy Kamarpukur, Jayrambati and Belur Math, together form the Golden Triangle of pilgrim centres. Every devotee or admirer of Sri Ramakrishna aspires to visit these three sacred places at least once in a lifetime to offer homage to the Holy Trio.

This school should not be conceived as a mere academic institution, but rather as a movement for imparting character-building education and to help students to inculcate the fundamental values of truth, purity and unselfishness. This institution inspires the students to actualize one of Swami Vivekananda's vision—a glorious India of the future.

It is worth mentioning that this school is catering to the needs of rural students, especially from the poor families of this area since 1962. As a result, this school has brought a huge number of students from the low-income families, backward sections and minority communities under the fold of education since last five decades. The school is committed to churn out the educated multifaceted human beings with head, heart and hand harmoniously developed.

The school has constructed four Science Laboratories (Physics, Chemistry, Biology and Geography) to give the real taste and concept of Science Education to the students. A computerized school Library with a beautiful reading room, 'Online Science Education' in collaboration with the Ramakrishna Mission Vivekananda University, Belur Math, Howrah, and a Language Laboratory of Spoken English recognized by British Council, Kolkata, have opened a new horizon of knowledge before the rural students of this school. Apart from the existing facilities of a computer teaching programme, Gymnasium for body-building, and play grounds for playing football, cricket and volleyball, a basketball court is also built for the benefit of the students. The 'Swami Vivekananda Sabhagriha' (an auditorium) was constructed to promote the cultural life as well as the aesthetic sense of the students.

The Annual Prize giving Ceremony (2012-13) was arranged at 'Swami Vivekananda Sabhagriha' in commemoration of the 150th Birth Anniversary of Swami Vivekananda. Swami Suviranandaji Maharaj a Trustee of Ramakrishna order of monks and the Asst. Secretary of Ramakrishna Math & Ramakrishna Mission, Belur Math, Howrah, was the President of the function. The students of High School presented cultural programme. Attractive books and certificates of honour were distributed among the students. In the loving memory of Swami Saradeswaranandaji Maharaj, a direct disciple of Holy Mother and the founder Secretary of the high school, a Silver Medal was awarded to Sriman Souvik Khan, an outgoing student of class X for the first time in the history of our school. This Medal was given in recognition of all round development of a student in last academic year.

The 52nd Annual Sports Meet was held at the school ground in commemoration of the 150th Birth Anniversary of Swami Vivekananda. In total 678 athletes took active part in the Sports Meet. Dipankar Ghosh, conqueror of Mount Everest acted as the Guest-In-Chief. Sri Madan Mitra, Hon'ble Minister-In-Charge, Transport and Sports Department, Govt. of West Bengal delivered Presidential address. Prizes and Certificates were distributed among the successful athletes.

'VIVEK VEETHI' (Ramakrishna Mission Primary School, Kamarpukur):

This school was inaugurated on 31 January 2010 in commemoration of the 175th Birth Anniversary of Sri Ramakrishna and began its regular classes on and from 10 March 2010. The aim and objective of this institution is to impart 'Man making and character building education' to the boys and girls of Kamarpukur and its adjacent villages. This school also takes special care of the students belonging to socially deprived and economically backward groups. As it is envisaged by Swami Vivekananda, the school curriculum gives equal importance to academic excellence and co-curricular activities so as to bring up bright citizens for the future India.

National Blindness Control Programme:

We are very happy to let you know that it is twenty-six years of continuous service. It was started free of cost during 1982. Now it has grown into a well-equipped eye day care centre. Through this we have been serving the poor villagers of four districts namely Hooghly, Bankura, Burdwan, and West Midnapur since May-2006. A good number of eminent ophthalmologists, surgeons, ophthalmic assistants, physicians, O.T. Nurses, Supporting Staff, devotees and volunteers have been joining their helping hands with us. Screening for operation IOL, Scanning of eye, Biometry for power testing of IOL, surgery, refraction, medical treatment, spectacle distribution, health education and referral service, and investigation facilities are also being provided at our centre.

National Leprosy Elimination Programme:

Leprosy was one of the burning public health problems in and around the Arambagh Subdivision, West Bengal. A few years back, it was a disputed uncovered area. This programme had been started since July 2001 under direct supervision and guidance of State & Dist. Leprosy Society, in collaboration with German Leprosy Relief Association, in the allotted areas of Goghat-I & II Blocks, Arambagh Block, and Arambagh Municipality. The programme was envisaged with general survey, early case detection, diagnosis and MDT treatment, retrieval of the defaulters, interpersonal IEC and Group IEC. The scenario of the programme has been changed since 2005.

The role of NGOs has since been changed. Passive case detection and referral service to the PHC for diagnosis and treatment, interpersonal IEC, Group IEC Surveillance, contact survey, POID management, SER activity etc. are being taken up by us in the above mentioned areas of Arambagh sub-division. Total population is about 6 lakhs in the project area. The specific geographical areas have been entrusted to eleven Field Workers (PMW), two Supervisors (NMS) and one Doctor.

Revised National Tuberculosis Control Programme:

This programme has been started since 2002 in collaboration with CARE India under scheme II. Now the programme has been continued under Scheme IV of RNTCP programme with direct supervision of District and State Govt. Health Department. It is a designated Microscopy and Treatment Centre [DMCTC] under Arambagh T.U since 2007. During this year sputum examination was done for early detection of suspected cases. The confirmed patients were treated at our treatment centre and referred to the different sub-centres under Arambagh T.U.

Our activities under this programme included DOTS treatment service, follow up of the cases, defaulter retrieval, health education to the affected person and his/her family members, interpersonal IEC, sensitisation of the common people etc.

PALLIMANGAL—INTEGRATED RURAL DEVELOPMENT PROJECT

Swami Vivekananda, disciple of Sri Ramakrishna travelled through the Indian countryside mostly on foot and observed tremendous poverty among the people. He would always say 'Food first and then religion'. Revered Swami Vireswaranandaji Maharaj, the tenth President of Ramakrishna Math and Ramakrishna Mission, inspired by the vision of Swami Vivekananda, took an initiative to rebuild India through a new Integrated Rural Development Project called 'Pallimangal'. Under the supervision of the Headquarters at Belur Math, Kamarpukur branch of Pallimangal, has been rendering valuable service in villages since its inception in 1980. The main target is uplift of the poor and downtrodden with special attention to the women folk irrespective of caste, creed and religion by integrating health, education, economic, social and cultural development programmes under Pallimangal. Over the years, the Pallimangal branch of Kamarpukur has spread its activities into the remote villages of Hooghly, Bankura, Murshidabad and Paschim Midnapore also, through various awareness workshops and training programmes on handicrafts and handloom products. It is also helping the trainees to set up Cottage Industries on their own by forming Self Help Groups.

In addition to the public support and help, the Pallimangal Project is able to sustain its activities due to the financial support and guidance received by the various departments of Central Government and State Government namely, National Jute Board, Ministry of Textiles, Govt. of India, NIRJAFT, Indian Council of Agricultural Research, Ministry of Food Processing Industries and Horticulture, Govt. of West Bengal, and MSME, Govt. of India. A brief description of the programmes implemented during the year is mentioned below:

SOIL TESTING LABORATORY: Considering the needs and priorities of the area, this was established at Kamarpukur in the year 1983. The objective was to encourage the farmers for scientific way of agriculture with a balanced use of plant nutrients for higher production, economy in input cost, maintenance of soil health, reduction in environmental pollution, etc. The area is one of the most intensely cultivated parts of West Bengal. The laboratory caters to the need of the farmers of Hooghly, Bankura, Burdwan, Medinipur West, Purulia and Howrah. The following figures depict the performance of this laboratory during the year 2012-2013:

Soil samples received directly from farmers for testing	04
Soil samples received from others for testing	50
Soil samples received from Govt. Deptt.	66
Total soil tested during the year	120

FOOD PROCESSING UNIT: With an object of promoting cottage industries with locally available resources, minimizing wastage of perishable fruits and vegetables and for showing the farmers a new source of income opportunities, this Food Processing-cum-Training Programme was launched during the year 2001.

At present different items namely, Pickle, Jam, Jelly, Sauce, Squash, Kasundi, Papad and Snacks are being produced in our unit and receiving very good response and demand from the customers.

MINI JUTE MILL SPINNING PROGRAMME: This unit has been manufacturing twine from raw

jute regularly since its inception in the year 1987. The project was commenced in collaboration with the erstwhile Jute Technological Research Laboratories (now NIRJAFT), Department of Science & Technology, Government of India and that of Government of West Bengal. The idea was to bring the processing unit within the reach of jute growers and to provide employment to some rural youths.

No. of persons employed	7
Total Production	21.9 MT

WEAVING PROJECT: The Handloom weaving and stitching project has been functioning satisfactorily by the rural women. Different types of cotton items are being produced regularly at the unit. They are bed sheet, towel, handkerchief, duster, mat, side bag, carpet, seat roll (asana), wrapper (chaddar), cap, gloves, etc. A few women have been successfully trained in this craft during the current year.

No. of women employed	34
No. of items produced	12

JUTE HANDICRAFTS PROJECT: This project is functioning since 2000 and has been proved

to be very successful. Different types of bags, decorative items, mobile phone pouch, money purse, table mat, pen holder, desk calendar, greeting cards, cap, office file etc. are being produced and sold at the showrooms with good response. Destitute women are presently working in Pallimangal workshops at Kamarpukur, Bhurkunda, Hazipur, Raghunathpur, Bhandarhati and also individually at their own homes.

INCENSE STICKS MAKING PROJECT: This project is set up since 1980. Many poor and destitute women have been trained in this vocation and earning either working at the Kamarpukur workshop or in their own home and thus they are also supporting their families.

No. of women employed	75
No. of items produced	10
	Consisting 100/50/25 sticks

NON-FORMAL EDUCATION:

Due to the social, economical, environmental and many practical difficulties, a considerable part of our rural populace is yet to see the light of education. Pallimangal has been conducting a number of Non-Formal Education Centres at different villages to provide minimum literacy to those who failed to obtain regular schooling. Presently 17 such NFE Centres for the backward

and depressed classes are being run by Pallimangal in 11 villages under 7 Gram Panchayat areas of Goghat-I & II blocks, one in Tarakeswar Municipality area and one in Kotalpur, Bankura District, through active involvement of village level organizations. The following chart shows the details:

SHOWROOM & SALES PROMOTION: To promote the marketing of products as well as for the greater exposure and interaction with different customers and artisans, a regular showroom-cum-sales counter is run by Pallimangal within the Ashrama premises. With the same view in mind, the Pallimangal put up special sales counters outside Kamarpukur on various occasions as under:

Occasion	Place
'Kalpataru Utsav'	Ramakrishna Math, Cossipore Udyanbati
'Centenary Celebration'	Ramakrishna Mission, Baranagar

Sales at all these places was overwhelming and beyond our expectations. We received huge response from thousands of customers regarding our different products. Two staff members and one volunteer look after the Kamarpukur showroom regularly. Whereas, in addition to the staff members of Pallimangal, 25-30 volunteers help at the special sales counters during different festivals and exhibitions.

TRAINING PROGRAMME: The following Training Programmes have been conducted by Ramakrishna Mission Pallimangal, Kamarpukur during the reporting year:

Sponsored by	Purpose	Venue	No. of Trainees
National Jute Board, Govt. of India,	Jute products (Basic and	Ramakrishna Mission Pallimangal, Kamarpukur	25
Ministry of Textiles	Advanced Training)	Sri Ramakrishna Ashrama Beldiha, Hooghly	25

RAMAKRISHNA MATH & RAMAKRISHNA MISSION

P.O. KAMARPUKUR, DIST. HOOGHLY, WEST BENGAL: 712 612, INDIA

OUR THANKS AND APPEAL

We are very much grateful to all those contributors, friends and admirers who have helped us in various ways in carrying out the noble activities taken up by us with the motto "for one's own salvation and the welfare of all". Ramakrishna Math engages itself in cultural, religious and spiritual activities. Whereas, Ramakrishna Mission is mainly concerned with the social welfare activities. The donations to Ramakrishna Math and Ramakrishna Mission are thankfully accepted and acknowledged.

The Cheque or Draft may kindly be drawn in favour of: "RAMAKRISHNA MATH, KAMARPUKUR" or "RAMAKRISHNA MISSION, KAMARPUKUR" and sent to the above address clearly mentioning the purpose of donation. Please note that ours being a charitable institution, all donations are exempt from Income Tax under Section 80G of the Income Tax Act-1961.

"Truthfulness is the only 'tapasya' (austerity) in this Kali Yuga."

-Sri Ramakrishna Paramahansa
