### Names of the Bankers:

1. State Bank of India, Arambagh Branch & Maheshpur Branch
2. United Bank of India, Kamarpukur Branch & Baghbazar Branch (Kol.)
3. Axis Bank Ltd., Arambagh Branch

### HISTORY AND SIGNIFICANCE:

Sri Ramakrishna (1836-1886), the prophet of harmony of religions, was born in Kamarpukur village. “Renunciation and love for God”, “Service, seeing God in all”—these were some of his other important teachings. His illustrious disciple Swami Vivekananda founded Ramakrishna Math and Ramakrishna Mission with its Headquarters at Belur Math, Howrah, West Bengal. These two organizations lead by the monastic Order started by Sri Ramakrishna himself, had the twin ideal, “Self-realization and service to the world. The Kamarpukur centre, a branch of Ramakrishna Math and Ramakrishna Mission, Belur Math, was started in 1947. This centre is mainly associated with the hallowed memories of Sri Ramakrishna’s birthplace and his ancestral home. Some of the holy spots are as follows:

- ✓ Sri Ramakrishna's Temple built on the spot where he was born
- ✓ A mud house with thatched roof where Sri Ramakrishna and Holy Mother Sarada Devi lived
- ✓ Parlour and Mango Tree planted by Sri Ramakrishna
- ✓ Sri Raghuvir Temple with the family deities of Sri Ramakrishna
- ✓ Sri Jugis Shiva Temple
- ✓ Haldhar-Pukur
- ✓ Laha's Pathashala
- ✓ Temple of Sri Gopeshwar Shiva
- ✓ Sitanath Pyne's House
- ✓ Dhani Kamarini's Birth Place
- ✓ Chinu Shankhari's Birth Place
- ✓ Budhui Marol Cremation Ground
- ✓ Mukundapur Shiva Temple
- ✓ Cremation Ground and Banyan Tree at Bhutir Khal
- ✓ Palace and Mango Grove of Manik Raja
- ✓ Anur Vishalakshi Temple
- ✓ Jayrambati, Koalpara, Shihore and other places associated with the life of Sri Sarada Devi

## ACTIVITIES—A SYNOPSIS

### MATH-SPIRITUAL, RELIGIOUS AND CULTURAL:

Besides daily worship, religious discourses inside and outside the Math, spiritual retreats and spiritual counselling by the senior monks, the Centre celebrates birthdays of the Holy Trio and other religious personalities. Sri Durga Puja, Sri Kali Puja, Sri Jagannath Rath Festival, Christmas Eve and other occasions are also observed. The 175<sup>th</sup> Birth Anniversary of Sri Ramakrishna (in March 2012) was observed through various programmes spread all over the year with due solemnity and enthusiasm. Some of the programmes were as follows:

- ✓ Special Programme at Ravindra Bhawan, Arambagh, under the aegis of the Hooghly District Bhava Prachar Parishad.
- ✓ Bhakta Sammelan at Arambagh.
- ✓ Free trip for the poor people of Kamarpukur to Belur Math, Cossipore, Dakshineswar and other holy places associated with the life of Sri Ramakrishna in Kolkata.
- ✓ A Krishi Mela (Kisan Mela) to bring about awareness among the villagers regarding the benefits of scientific farming coupled with the traditional practices.
- ✓ Rural Health Workers' Meet.
- ✓ Self-Employment Programme for the destitute women.
- ✓ Parents' Meet and Teachers' Meet through Kamarpukur Ramakrishna Mission Multipurpose School.
- ✓ Cultural Programmes etc.

#### MISSION—SOCIAL WELFARE ACTIVITIES (A SYNOPSIS):

Ramakrishna Mission, Kamarpukur, conducted multifarious social welfare activities. Here is a brief description:

A High School with 837 boys out of which 71 boys were of scheduled castes and 11 boys of scheduled tribes.

A Junior Basic School with 206 boys and 68 girls out of which 26 boys and 16 girls were of scheduled castes and 1 girl and 5 boys of scheduled tribes and 14 students belonged to OBC.

A Hostel with 127 boys out of which 4 boys were of scheduled castes and 10 boys of backward class.

An Area Library and reading room with 11368 books, 2 daily newspapers and 8 Periodicals with an average issue of 1202 books per month.

A Mobile Audio Visual Unit which screened 80 Film Shows on the subjects - education, culture, health and hygiene, moral values, environment, etc. in 5 villages of Goghat - II Block in Hooghly District.

Charitable Allopathic Dispensary treated 21825 patients including 14835 new patients. Out of which 6513 patients were from SC and 405 patients from ST and 1055 of OBC.

Eye Day Care Unit operated 1017 cataract patients out of which patients 375 were of SC, 25 ST and OBC 68.

Homoeopathic Dispensary treated 10313 patients including 4176 new patients out of which 2245

patients were from SC and 139 patients from ST and 472 of OBC.

Homoeopathic Mobile Unit treated 1348 patients. 550 were new patients, 741 patients belonged to SC, 28 from ST and 197 of OBC.

Ayurvedic Dispensary comprising of OPD and Panchakarma Units together treated 4549 patients including 1458 new, out of which 1268 were from SC, 57 of ST and OBC 233.

Gadadhara Bhesaja Udyan, the Herbal Garden situated around the sacred Haldharpukur pond, nurtures many rare medicinal plants. This garden also acts as a feeder unit for providing herbal medicines to the Ayurvedic Dispensary.

Computer Training Center provided Short Term Vocational Training (STVT) course of six months duration in the Computer Fundamentals under West Bengal State Council of Technical Education (WBSCTE) to 30 rural students during the Academic Year (January to December 2011 – two short terms of six months duration each).

Pecuniary help was given to 148 poor persons of this locality and the adjoining areas for repair of their dilapidated homes and also to conduct funeral ceremony of the deceased family members. Books were also distributed to the poor and meritorious school and college students of this locality. 1250 poor villagers received free blankets during the winter season.

As part of the four-year-long service programmes being conducted by the Headquarter to commemorate the 150<sup>th</sup> Birth Anniversary of Swami Vivekananda, Gadadhar Abhyudaya Prakalpa (All-round personality development of the children) was launched at Kamarpukur on the 2<sup>nd</sup> October 2010—Janma Tithi of Swami Abhedananda. In addition, Vivekananda Swasthya Pariseva Prakalpa (Community Health Programme) has been started at Deregram, the place where the ancestral home of Sri Ramakrishna was situated. Further, the efforts are on to take up Swami Akhandananda Seva Prakalpa (Integrated Rural Development Programme) aimed at the alleviation of poverty.

**PALLIMANGAL:** The Mission is organizing Integrated Rural Development Work under this head. Pallimangal is imparting vocational training in various crafts and trying to generate self-employment for the local youths and especially for the destitute women. The Medical Wing of Pallimangal is rendering valuable service in the rural areas with its Mobile Medical Unit and also in the field of awareness and eradication of Leprosy, Tuberculosis Aids and other diseases.

**Kamarpukur Ramakrishna Mission Multipurpose School** is a High School recognized by the Directorate of Secondary Education, West Bengal.

The students of the Kamarpukur institution are endowed with luminous intelligence and obtain good results. This school should not be conceived as a mere academic institution, but rather as a movement for imparting character-building education and to help students to inculcate the fundamental values of truth, purity and unselfishness. This institution inspires the students to actualize one of Swami Vivekananda's most favourite vision—a glorious India of the future.

It is worth mentioning that this school is catering to the needs of rural students—especially from the poor families of this area since 1962. As a result, this school has brought a huge number of students from the low-income families, backward sections and minority communities under the fold of education since last five decades. The school is committed to make the education more effective as well as attractive to the students and to evolve multifaceted human beings with head, heart and hand harmoniously developed.

During the year-long Golden Jubilee Celebrations (2011-2012), the school has constructed four Science Laboratories (Physics, Chemistry, Biology & Geography) to give the real taste and concept of Science Education to the students. A computerized School Library with a beautiful reading room, 'Online Science Education' in collaboration with the Ramakrishna Mission Vivekananda University, Belur Math, Howrah, and a Language Laboratory of Spoken English recognized by British Council, Kolkata, have opened a new horizon of knowledge before the rural students of this school. Apart from the existing facilities of a Gymnasium for bodybuilding, and grounds for playing football, cricket and volleyball, a basketball ground is also built for the benefit of the students.

The computerization of the school office system, construction of a separate motorcycle stand for the teachers, plantation programme and a mini zoo comprising of little rabbits & pigeons, the website ([www.rkmkmps.org](http://www.rkmkmps.org)) of the school have made the Golden Jubilee Celebrations more meaningful. Many educational and cultural programmes were conducted in this connection. The 'Swami Vivekananda Sabhagriha' (an auditorium) is also being constructed on this occasion to promote the cultural life as well as the aesthetic sense of the students.

**'VIVEK VEETHI' (Ramakrishna Mission Primary School, Kamarpukur):** This school was inaugurated on 31 January 2010 in commemoration of the 175<sup>th</sup> Birth Anniversary of Sri Ramakrishna and began its regular classes on and from 10 March 2010. The aim and objective of this institution is to impart 'Man-making and character-building education' to the boys and girls of Kamarpukur and its adjacent villages. This school also takes special care of the students belonging to socially deprived and economically backward groups. As it is envisaged by Swami Vivekananda, the school curriculum gives equal importance to academic excellence and co-curricular activities so as to bring up bright citizens for the future India.

## PALLIMANGAL—INTEGRATED RURAL DEVELOPMENT PROJECT

Swami Vivekananda, disciple of Sri Ramakrishna travelled through the Indian countryside mostly on foot and observed tremendous poverty among the people. He would always say 'Food first and then religion'. Revered Swami Vireswaranandaji Maharaj, the tenth President of Ramakrishna Math and Ramakrishna Mission, inspired by the vision of Swami Vivekananda, took an initiative to rebuild India through a new Integrated Rural Development Project called 'Pallimangal'. Under the supervision of the Headquarters at Belur Math, Kamarpukur branch of Pallimangal, has been rendering valuable service in villages since its inception in 1980. The main target is uplift of the poor and downtrodden with special attention to the women folk irrespective of caste, creed and religion by integrating health, education, economic, social and cultural development programmes under Pallimangal. Over the years, the Pallimangal branch of Kamarpukur has spread its activities into the remote villages of Hooghly, Bankura, Murshidabad and Paschim Midnapore also, through various awareness workshops and training programmes on handicrafts and handloom products. It is also helping the trainees to set up Cottage Industries on their own by forming Self Help Groups.

In addition to the public support and help, the Pallimangal Project is able to sustain its activities due to the financial support and guidance received by the various departments of Central Government and State Government namely, National Jute Board, Ministry of Textiles, Govt. of India, NIRJAFT, Indian Council of Agricultural Research, Ministry of Food Processing Industries and Horticulture, Govt. of West Bengal, and MSME, Govt. of India. A brief description of the programmes implemented during the year is mentioned below:

**SOIL TESTING LABORATORY:** Considering the needs and priorities of the area, this was established at Kamarpukur in the year 1983. The objective was to encourage the farmers for scientific way of agriculture with a balanced use of plant nutrients for higher production, economy in input cost, maintenance of soil health, reduction in environmental pollution, etc. The area is one of the most intensely cultivated part of West Bengal. The laboratory caters to the need of the farmers of Hooghly, Bankura, Burdwan, Medinipur West, Purulia and Howrah. The following figures depict the performance of this laboratory during the year 2011-2012:

Soil samples received directly from farmers for testing	32
Soil samples received from others for testing	218
Soil samples received from Govt. Deptt.	26
Total:	276

**FOOD PROCESSING PROGRAMME:** With an object of promoting cottage industries with locally available resources, minimizing wastage of perishable fruits and vegetables and for showing the farmers a new source of income opportunities, this Food Processing-cum-Training Programme was launched during the year 2001. At present 10 different items namely, pickle, jam, jelly, sauce, squash, Kasundi, Papad, snacks, batasa and honey are being produced in our unit and receiving very good response and demand from the customers.

**MINI JUTE MILL SPINNING PROGRAMME:** This unit has been manufacturing twine from raw jute regularly since its inception in the year 1987. The project was commenced in collaboration with the erstwhile Jute Technological Research Laboratories (now NIRJAFT), Department of Science & Technology, Government of India and that of Government of West Bengal. The idea was to bring the processing unit within the reach of jute growers and to provide employment to some rural youths.

No. of persons employed	7
Total Production	21.7 MT

**JUTE HANDICRAFTS PROJECT:** This project is functioning since 2000 and has been proved to be very successful. Different types of bags, decorative items, mobile phone pouch, money purse, table mat, pen holder, desk calendar, greeting cards, cap, office file etc. are being produced and sold at the showrooms with good response. Destitute women are presently working in Pallimangal workshops at Kamarpukur, Bhurkunda, Hazipur, Raghunathpur, Bhandarhati and also individually at their own homes.

No. of women employed	167
No. of varieties produced	110

**WEAVING PROJECT:** The Handloom weaving and stitching project has been functioning satisfactorily by the rural women. Different types of cotton items are being produced regularly at the unit. They are: bed sheet, towel, handkerchief, duster, mat, side bag, carpet, seat roll (asana), wrapper (chaddar), cap, gloves, etc. Apart from this, some persons are engaged in weaving at the production unit of Bhurkunda village. A few women have been successfully trained in this craft.

No. of women employed	29
No. of varieties produced	33

**INCENSE STICKS MAKING PROJECT:** This project is set up since 1980. Many poor and destitute women have been trained in this vocation and earning either working at the Kamarpukur workshop or in their own home.

No. of women employed	58
No. of varieties produced	10

**SOLAR ENERGY PROGRAMME:** With rapid depletion of the fossil fuel reserves, and increasing environmental pollution, use of renewable sources of energy seem to be the only solution to save the environment and to sustain the process of development. Due to its abundance, solar energy offers ample scope to be harnessed for providing household electricity especially in un-electrified and under-electrified areas. Pallimangal is trying to promote the use of different solar photovoltaic (SPV) and solar thermal systems through awareness generation and motivation since the year 2001.

**NON FORMAL EDUCATION:** Due to the social, economical, environmental and many practical difficulties, a considerable part of our rural populace is yet to see the light of education. Pallimangal has been conducting a number of Non Formal Education Centres at different villages to provide minimum literacy to those who failed to obtain regular schooling. Presently 16 such NFE Centres for the backward and depressed classes are being run by Pallimangal in 11 villages under 7 Gram Panchyat areas of Goghat-I & II blocks, one in Tarakeswar Municipality area and one in Kotalpur, Bankura District, through active involvement of village level organizations. The following chart shows the details:

Sl.No.	Name of the Centre with address	Students
01	Hazrapata, Vill. Dashghara, Kamarpukur, Hooghly	20
02	Dasghara Club	18
03	Ganeshbati, P.O. Ratanpur, Hooghly	20
04	Anur Najrul Smriti Sangha, Anur, Hooghly	24
05	Bhurkunda, Hooghly	20
06	Basudebpur, Hooghly	19
07	Nakunda S.R. Ashrama, Vill. Darinakunda, Hooghly	25
08	Beldiha, S.R. Ashrama, Shyambazar, Hooghly	25
09	-do-	25
10	-do-	25
11	Udaypur, Hooghly	22
12	Harishchandrapur, Raghubati, Hooghly	25
13	Tarakeswar Ramakrishna Vivekananda Coaching Centre, Hooghly	15
14	-do-	17
15	Tajpur Gram Seva Samiti, Bankura	25
16	-do-	25
Total students:		350

**SHOW ROOM & SALES PROMOTION:** To promote the marketing of products as well as for the greater exposure and interaction with different customers and artisans, a regular showroom-cum-sales counter is run by Pallimangal within the Ashrama premises. With the same view in mind, the Pallimangal put up special sales counters outside Kamarpukur on various occasions as under:

Occasion	Place
'Kalpataru Utsav'	Ramakrishna Math, Cossipur
'Nityabirbhav Utsav'	Ramakrishna Math, Kankurgachi (Yogodyan)
'Annual Puja Utsav'	Ramakrishna Math, Barasat
'Tithi Puja' & 'Public Celebration'	Ramakrishna Math, Belur

Sales at all these places was overwhelming and beyond our expectations. We received huge response from thousands of customers regarding our different products. Two staff members and one volunteer look after the Kamarpukur show room regularly. Whereas, in addition to the staff members of Pallimangal, 25-30 volunteers help at the special sales counters during different festivals and exhibitions.

**TRAINING PROGRAMME:** The following Vocational Training Programmes have been conducted by Pallimangal during the year:

Sponsor	Vocation	Venue	No. of Trainees
National Jute Board, Govt. of India, Ministry of Textiles	Jute products (Basic and Advanced Training)	Raghunathpur SRK-Viv. Pathachakra, Khanakul, Hooghly	22
		Pallimangal, Kamarpukur	47
MSME, Govt. of India	ESDP on Mobile Handset repairing	- do -	25
	ESDP on Readymade Garments	- do -	25
NIRJAFT, Indian Council of Agricultural Research	Jute based weaving	- do -	21

## GLIMPSES OF HOLY KAMARPUKUR

SRI KALI

SRI JAGANNATH RATH

SRI RAMAKRISHNA TEMPLE

YATRI NIWAS

JOY SURGING AT THE NEW TUBEWELL!

HARVEST TIME AT THE ASHRAMA

THE HAY STACK

RELAXING AT THE FEET OF KALI

IT IS HOLY TIME FOLKS!

BAULS SINGING

THE GUILLESS SMILE!

AN INMATE

ON THE BANK OF HALDHARPUKUR

IN A PLAYFUL MOOD

ON CONSTANT VIGIL

SHIVA DANCING ON SHIVARATRI

THE BLISS OF PRAYERS!

# RAMAKRISHNA MATH

P.O. KAMARPUKUR, DIST. HOOGHLY, WEST BENGAL: 712 612, INDIA

## OUR THANKS AND APPEAL FOR IMMEDIATE NEED

We are very much grateful to all those contributors, friends and admirers who have helped us in various ways in carrying out the noble activities taken up by us with the motto “for one’s own salvation and the welfare of all”.

Holy Kamarpukur, Jayrambati and Belur Math, together form the Golden Triangle of pilgrim centres. Every devotee or admirer of Sri Ramakrishna aspires to visit these three sacred places at least once in a lifetime to offer homage to the Holy Trio. Day-by-day the number of pilgrims visiting these holy spots is steadily increasing. Apart from the cooked *prasad* (consecrated food), we offer Guest House facility also to the pilgrims. The cottage-type Guest Rooms opposite to the Sri Ramakrishna Temple at Kamarpukur (adjacent to Haldharpukur) were constructed many years back and need to be renovated immediately. Needless to say, this renovation work needs sufficient funds. So, we request all the devotees and admirers of Sri Ramakrishna to come forward and generously contribute their mite to this noble cause. The Cheque or Draft may kindly be drawn in favour of: “Ramakrishna Math, Kamarpukur” and sent to the above address clearly mentioning the purpose of donation. Please note that ours being a charitable institution, all donations are exempt from Income Tax under Section 80G of the Income Tax Act-1961.

*“The sole purpose of human existence  
is God realization.”*

**-Sri Ramakrishna Paramahansa**
